This is the second flyer regarding the Falling Star Reunion scheduled for September 14-18, 2015 in Honolulu, Hawaii. Of the 556 members we contacted in September 2014, 59 emails or letters were returned as "undeliverable." So, as a start, if you are in contact with any of the troops **ON THE ATTACHED PAGE**, please have them email me with their addresses. Second, you are our best resource. If you know of anyone else who should be contacted, let us know ASAP with their contact information.

**Also included in this mailing is the pre-registration form.** Those who return this form by April 30<sup>th</sup>, along with \$30 per attendee will be kept on this reunion's mail list to receive all future details regarding the plans and events.

The tentative agenda above remains the same as previously provided.

In the next letter, to be sent in June, we will further define the activities and, based on your replies to this letter, we will estimate the cost of each event and give you the option to buy into those you wish to attend.

We hope you have already looked into hotel reservations at this point. Space does fill up quickly for the summer months, especially at the military facilities. Again, the Hale Koa number is (800) 367-6027 – if that number is busy, try (808) 955-0555. The Bellows number is (800) 437-2607. For Bellows, retirees can make reservations up to 75 days prior to check-in date. If you are thinking of staying at Bellows, we suggest that you check other Honolulu hotels as a back-up plan in case Bellows becomes booked.

We look forward to seeing ALL of you in beautiful Hawaii in September. If you have any updates of your contact information or a fellow 6594 Test Group/6593 Test Squadron member, please email me at [michael\\_dauth@msn.com](mailto:michael_dauth@msn.com) or text or call me at 410-562-8971.
